

Benchtop Low Speed Centrifuge TBLC-4400

\$4,505.00

Benchtop Centrifuges	Benchtop Low Speed Centrifuge	Benchtop Low Speed Centrifuge TBLC-4000 Series	Centrifuge
----------------------	-------------------------------	--	------------

Benchtop Low Speed Centrifuge TBLC-4400 high performance centrifuge. Offer SCT and SBT speed control parameter to avoid mix up and ensure to get maximum samples. Features with LCD/LED touch screen with multi-functional knob combination parameters. Accommodates swing rotor, and Micro plate rotor, as these motor capable of accommodating a great number of tubes at once. Available with 10 profiles for acceleration and for deceleration with high efficiency. Additionally, it comes with Brushless converter motor, Freon-free compressor and Aerospace rubber for damping. And advanced microprocessor controls allow for instant rotor identification, which robotically converts the rotational speed to the relevant RCF checking the user from setting a speed above the capabilities of the installed rotor.
